

GULLAS COLLEGE OF MEDICINE, INC.

Center for Health Research and Innovation

For: All Faculty, Staff, and Students of Gullas College of Medicine

From:  Dr. Niño Ismael Pastor, Center for Health Research and Innovation

Noted: Dr. Harold Jason Yu,  Chief Executive Director

Approved: Atty. Joseph M.  Baduel, Vice President

Date: September 21, 2024

Subject: Relocation of CHRI and REC under the Vice President for Operations

This is to comply with the Philippine Health Research Ethics Board (PHREB) of the Department of Science and Technology (DOST).

We would like to inform you that, effective immediately, the **Center for Health Research and Innovation (CHRI)** and the **Research Ethics Committee (REC)** will now operate under the **Vice President for Operations** of Gullas College of Medicine. The REC will be an independent body under the Office of the Vice President. But, due to manpower, it will be administered under CHRI.

This transition is part of our efforts to improve operational efficiency and streamline research initiatives as PHREB requires. Please direct all future communications and inquiries regarding CHRI and REC to the Office of the Vice President for Operations.

We thank you for your continued support and cooperation.
