***Note:- Remittance charges include charges up to beneficiary bank/correspondent bank only**

Also Please note that your remittance application wil be processed at our Global Market Unit, Kolkata. As your account will get debited a litte later, at the time of processing of the remittance during the course of the day, please ensure that the balance in your account is adequate. If your transaction fails due to insufficient balance you may have to bear exchange loss, if any.

Please also note that in the event of your remittances being returned by the overseas bank, there may be charges deducted by that bank. Further, the foreign currency amount on return will be re-credited to your account in rupees which may entail exchange loss.

Thank you.
